Sir,

I have the honor to state that the construction of a model house at Ūlvi in the Sorab Taluk was taken up by the Malnad Improvement Committee at a cost of Rs 1,400/- on the design and as per estimate sanctioned by Government in their Order No:3523-7/San.68-17-3 dated the 4th January 1918. The work was given on contract, but it has made a little progress so far, the basement of the main building being the only portion that has been actually constructed. Payments have been made to the extent of Rs 475/- of which about Rs 200/- represent the value of materials collected by the Contractor, which, if disposed of may fetch - Rs 200/- or Rs 250/-.

2. The Committee feeling that this item of work on their programme was not pushing on as satisfactorily as was desired, resolved at the meeting held on 27th April 1920 that the works (of model houses) in progress should be completed and that no fresh works be undertaken. On communicating the views of the Committee to the Sub Division Officer, Sagar, he made a report (No.641 dated the 4th September 1920 copy of which is forwarded

Letter No. 641 dated the 4th September 1920 from the Sub Division Officer, Sagar, to the Deputy Commissioner and Chairmen, Malnad Improvement Committee, Shimoga.

---:::::::::---

I have the honor to forward herewith records relating to the construction of a Model House at Ulvi, Sorab Taluk. An estimate for Rs. 1,400/- was sanctioned in January 1918, and, so far, only the basement has been put up. Payments have been made to the extent of Rs. 475/-, of which Rs. 200/- represent the value of materials collected by the contractor - vide particulars noted below:-

Materials collected:-

1. 2000 Mangalore Tiles.	=	Rs. 160- 0- 0
2. 300 Bamboos.	=	15- 0- 0
3. 450 Latrite bricks.	=	27- 0- 0
Total.		Rs. 202- 0- 0
Amount advanced.	=	Rs. 200- 0- 0

The question of the construction of Model Houses was considered at the meeting of the District Committee held on the 27th April last and it was resolved that the works in progress should be completed and that no fresh works be undertaken.

The present work, although commenced some years ago, has made little progress, the basement of the main building being the only portion that has been actually constructed. The site chosen for the house, moreover, is objectionably close to the Travellers' Bungalow, and should the work be completed, it could not be turned to any useful purpose.

In these circumstances it is suggested that the work be abandoned and permission given to dispose of the materials which may fetch about Rs. 200/- or Rs. 250/-.

Sir,

Adverting to correspondence ending with your letter No. G. 10,055. Sany. 38-20-2 dated the 22nd November 1920 ~~in~~ regarding the abandoning of the model house at Ulvi I have the honour to state that the model house if completed may be utilised for one of the two following purposes viz., (1) as the residence of the shekdar or (2) as a police station. The latter is now located in the Musafirkhana, as the old station building is in a dilapidated condition. If the Police Department will undertake to build the superstructure according to their requirements, the building of which only the basement has till now been constructed may be handed over to them; but the model house being close to the Travellers' Bungalow its use either for residence or as a Police Station will involve in-convenience to travellers halting at the Dak-Bungalows.
